FAMILY BEHAVIORAL RESOURCES ANNOUNCES THE DEVELOPMENT OF A TRAUMA SERVICES TEAM

TRAUMA SERVICES FOCUS GROUP

FBR, a leader in specialized services, is excited to announce a new line of care, Trauma Services, and invites you to join an open and collaborative discussion of the strengths, needs, abilities and preferences of children and families. FBR's recent focus on trauma and attachment continues its mission of being a provider of quality clinical care. FBR seeks to fulfill a significant need for children who have experienced abuse, neglect, multiple placements and/or other traumatic life events and their families who are struggling to support positive behavioral and emotional development.

PLEASE ASSIST US IN GIVING THEM A VOICE!

When: March 31, 2010 6PM-9PM

Where: Four Points Sheraton; Greensburg, PA
